

Request for Engagement Support

Integrated Service Area Engagement Support Teams are available to support SHA Leaders with engagement. Each team has representation from Patient and Client Experience, Population Health, First Nations & Métis Relations, and Community Engagement & Communications. These teams work cross-functionally to provide a collective approach and wrap-around engagement supports. Completing this form is the first step in getting connected with your local Engagement Support Team. A follow up meeting will be arranged to inform next steps.

Today's Date:

| | |
|---|--|
| Name of Key Contact | |
| Position & Department | |
| Title of Engagement Project/Opportunity | |

What area of the province do you plan to focus your engagement?

When are you hoping to begin [the Engagement Process](#)?

Is this request related to initial engagement work or follow up engagement work?

Please briefly describe the proposed engagement activities and desired outcomes of engagement?

Which Interested Parties are you thinking about engaging with (select all that apply)?

- Patients/Residents/Families
 - First Nations and Métis Communities and/or Organizations
 - Community-Based Organizations, associations, municipalities
 - Intersectoral Partners (e.g., Education, Justice, Social Services), businesses, and/or faith-based groups
 - Other:
-

We will be arranging a follow up meeting to review your intake with the appropriate local engagement team. Please list the names of any other SHA staff who should be in attendance for that initial meeting:

Once you have completed this form, please email it to lauren.wadelius@saskhealthauthority.ca
