

## Occupational Health Committee Resource Centre

Did you know that the Saskatchewan Health Authority has a Resource Centre for our Occupational Health Committees (OHC)? Every OHC now has a dedicated place to store minutes, inspection results and other information.

This Resource Centre is available for all to view. Anyone can view

- Minutes and inspection records
- Contraventions and reports issued to the facility
- An overview of all the contraventions the SHA has received using the SHA Contravention Tracking Report in the *Resources* area.

You can access the Resource Centre here [OHC Resource Centre](#).
