Letter of Transmittal

Healthy People, Healthy Saskatchewan

Dear Minister Reiter:

The Saskatchewan Health Authority (SHA) is pleased to provide you and the residents of our province with the SHA's Annual Report to the Legislature 2019-2020.

The annual report is a legislated requirement which demonstrates the SHA's commitment to transparency and accountability. This year's report includes the approved audited financial statements for the year ending March 31, 2020. Due to the demands on the health system caused by the COVID-19 pandemic, this report is an abbreviated one compared to previous years.

A key accomplishment for our organization was to achieve accredited status following the first phase of the accreditation survey process, which took place Nov. 24-29, 2019. Achieving accreditation indicates we have met a nationally accepted standard of quality and safety. Participating in the process ensures our ongoing commitment to a culture of continuous improvement.

The SHA continues to enhance health care for all Saskatchewan residents by focusing on the following four general areas:

- Connected care for the people of Saskatchewan;
- Delivering safe and high quality health care;
- Establishing physicians as leaders in the health care system; and
- Improving system-wide co-ordination and alignment of services.

More information on these areas of focus is outlined in the *Ministry of Health Plan for 2019-20*.

By working toward these goals, we are aligning and integrating health services to ensure people receive high quality, timely health care, regardless of where they live in Saskatchewan.

Our commitment to a philosophy of patient and family centred care underpins our activities and is the foundation for our values of safety, accountability, respect, collaboration and compassion.

Our commitment to accountability and transparency is demonstrated through:

- The SHA Board of Directors meetings, which holds quarterly meetings open to the public;
- The SHA website, www.saskhealthauthority.ca, which includes news articles, reports and other publications, as well as archived news releases. This website garners more than two million page views per year;
- Social media (Facebook, Twitter) channels, which have attracted 30,000 followers – more than the combined total of all channels of the province's former regional health authorities;

- Our commitment to transparency and accountability through a strong relationship with news media outlets. Our organization responds to more than 1,300 media requests per year on a wide variety of topics; and
- Daily internal communications with our approximately 40,000 health care workers and more than 2,600 physicians.

The progress achieved in 2019-20 is due to the dedication and commitment of staff and physicians of the SHA and our many partners, including the people we serve. We are profoundly grateful for the fortitude, determination and professionalism of all those involved in the response to the COVID-19 pandemic. Although the full impact of the pandemic on the health system will be unknown for some time, what has become clear is that as an amalgamated authority we are in a better position to manage and co-ordinate services through a time of great uncertainty.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'R.W. Carter', written in a cursive style.

R.W. (Dick) Carter, Chairperson
Saskatchewan Health Authority Board of Directors

Vision, Mission, Values and Philosophy of Care

VISION

Healthy People, Healthy Saskatchewan

MISSION

We work together to improve our health and well-being. Every day. For everyone.

VALUES

SAFETY:

Be aware. Commit to physical, psychological, social, cultural and environmental safety. Every day. For everyone.

ACCOUNTABILITY:

Be responsible. Own each action and decision. Be transparent and have courage to speak up.

RESPECT:

Be kind. Honour diversity with dignity and empathy. Value each person as an individual.

COLLABORATION:

Be better together. Include and acknowledge the contributions of employees, physicians, patients, families and partners.

COMPASSION:

Be caring. Practice empathy. Listen actively to understand each other's experiences.

Our **Philosophy of Care** conveys our vision, values, beliefs and goals and defines our purpose and direction to staff, physicians, patients and families.

Our commitment to a philosophy of patient and family centred care is at the heart of everything we do and is the foundation for our values. This philosophy of care is, in essence, our culture: who we are, the shared purpose that brings us all together and how our patients and families experience care every day. Through meaningful engagement and co-creating mutually beneficial partnerships among employees, physicians, patients, families, clients and residents, together we ensure a seamless health system that supports *Healthy People, Healthy Saskatchewan*.

Governance System

Healthy People, Healthy Saskatchewan

The SHA is governed by the SHA Board of Directors. The Board consists of 10 voting members, appointed to three-year terms by the Lieutenant Governor in Council. The Board is accountable to the minister of health to achieve the goals and objectives of the SHA, ensuring effective planning, delivery and evaluation of all health care programs, on behalf of the residents of Saskatchewan.

The Board recognizes the paramount importance of patients and families as key in the delivery of the health-care services provided by the SHA. The Board incorporates the patient experience into its work to inform the strategic direction for the SHA.

The SHA governance system is outlined in *The Provincial Health Authority Act* and *The Provincial Health Authority Administration Regulations* supported by the initial General Bylaws of the SHA, and further detailed in the Governance Charter, updated and approved on Feb. 26, 2020. The Governance Charter reflects the provincial legislation, direction, philosophy and principles governing the SHA – a large, complex, high profile and accountable public sector organization. It describes in detail the Board’s accountabilities to, and relationships with, key stakeholders and the chief executive officer (CEO) inclusive of the CEO’s authority and expectations. The governance philosophy is guided by the following principles:

- The Board provides strategic direction and leadership.
- The Board adheres to the highest ethical and legal standards in the conduct of its business.
- The Board makes decisions on the best available evidence.
- The Board’s approach to governance is open: receptive to information that will enable the Board’s work, responsive to the expectations of the public and transparent regarding the decisions that are made.
- Members are to act in the best interests of the Board as a whole.
- The relationship between the Board and the CEO is based upon trust, collaboration and clear understanding of roles and responsibilities of the Board and the CEO.

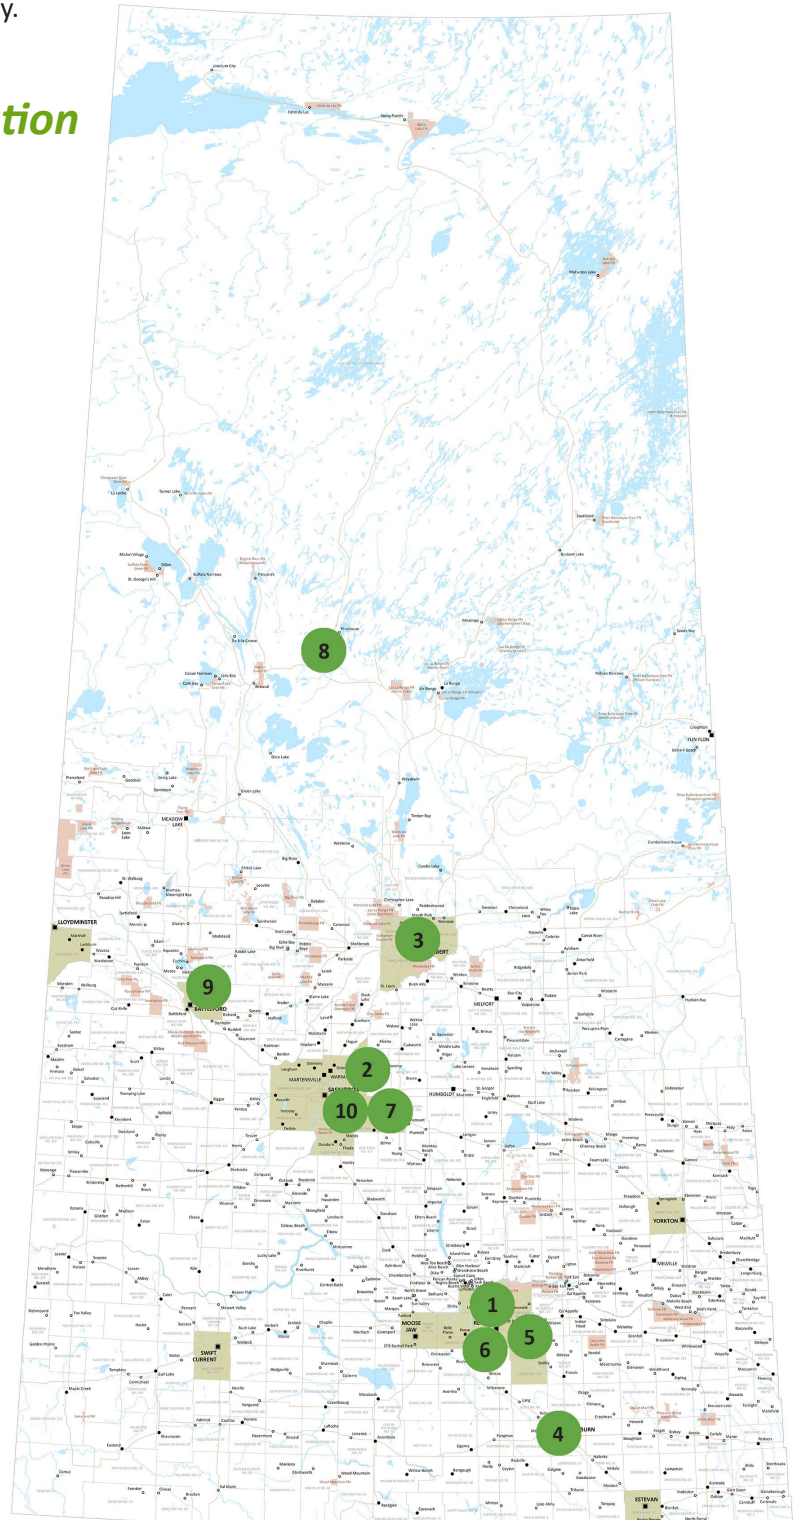

The Governance Charter also outlines the Board’s structures and governance processes whereby strategic goals are set, key relationships are maintained, assets of the organization are safeguarded and quality care is supported in accordance with best practices, service excellence and national performance standards such as those of Accreditation Canada. The Board fulfills its governance role and responsibilities through the following committees of the Board chaired by Board members, recommended by the Board chairperson and formally appointed by the Board:

- Governance and Human Resources Committee;
- Quality and Safety Committee;
- Audit, Finance and Risk Committee;
- Board Practitioner Hearing Committee; and
- Practitioner Liaison Committee.

The SHA has also established an internal audit function that supports the SHA to accomplish its objectives by bringing a systematic and disciplined approach to evaluate and improve its operations. The chief audit officer (CAO) does this by providing insight and advice to help drive improvements in governance, risk management and control processes, balanced with assurance on key risk mitigations and controls through the completion of audit work. The CAO reports functionally to the Board, with a dotted line to the CEO for day-to-day administrative matters to maintain the CAO's independence and objectivity.

- The SHA opens its first dedicated COVID-19 testing centres in Regina, Saskatoon and Prince Albert between March 13-16. As the COVID-19 pandemic evolves, testing becomes available in 50-plus locations around the province. By the end of March, dedicated assessment and treatment centres are added in Saskatoon and Regina.
- A new payment code is created for physicians to provide services virtually or by telephone, enabling continuity of access to key health care services as COVID-19 pandemic evolves.
- New visitor restrictions are in effect at all SHA facilities to help contain the spread of COVID-19.
- Healthline 811 infrastructure is upgraded, increasing information technology phone capacity to more than 500 lines to meet COVID-19 demand and callback features are implemented to enhance services to patients. Staffing capacity is increased from 13 staff to approximately 250 to meet COVID-19 demand. As a result, the number of callers who are on hold or in the queue are reduced to zero.
- An initial contact tracing surge plan is implemented to respond to COVID-19, resulting in a 300 per cent increase in staff who are able to perform contact tracing.
- The SHA rolls out a new broadcast system that will allow the SHA and affiliates to contact all of our employees and physicians by email, automated phone call or text message to convey important, urgent information such as COVID-19 updates, required staffing needs and to offer urgent shifts.
- The Roy Romanow Provincial Laboratory performs 8,000 COVID-19 tests by the end of March, ranking third in Canada for the number of travel and non-travel related tests performed per capita.

Management Report

Healthy People, Healthy Saskatchewan

June 1, 2020

Saskatchewan Health Authority
Report of Management

The accompanying consolidated financial statements are the responsibility of management, and are approved by the Saskatchewan Health Authority Board of Directors. The consolidated financial statements have been prepared in accordance with Canadian Public Sector Accounting Standards and of necessity include amounts based on estimates and judgements. The financial information presented in the annual report is consistent with the consolidated financial statements.

Management maintains appropriate systems of internal control, including policies and procedures, which provide reasonable assurance that the SHA's assets are safeguarded and the financial records are relevant and reliable.

The Board delegates responsibility for reviewing the consolidated financial statements and overseeing management's performance in financial reporting to the Audit, Finance and Risk Committee. The Audit, Finance and Risk Committee meets with the Board, management and the external auditors to discuss and review financial matters and recommends the consolidated financial statements to the Board for approval. The Board approves the annual report and, with the recommendation of the Audit, Finance and Risk Committee, approves the consolidated financial statements.

The appointed auditor conducts an independent audit of the consolidated financial statements. The auditor's report expresses an opinion on the fairness of the consolidated financial statements prepared by management.

Financial Overview

Healthy People, Healthy Saskatchewan

The SHA converted from Not-For-Profit Public Sector Accounting Standards (PS 4200 to PS 4270) to full Public Sector Accounting Standards (PSAS) effective April 1, 2018. SHA financial statements are prepared on a consolidated basis and include the following legal entities:

- Health Shared Services Saskatchewan (3sHealth)
- St. Paul's (Grey Nuns) of Saskatoon

Annual Operations

For the year ended March 31, 2020, the SHA recorded a consolidated surplus of \$65.49 million compared to a deficit of \$28.74 million in 2018-19. Included in this is a surplus of \$3.22 million from operations of the SHA, a surplus of \$62.97 million from capital accounts, and nominal amounts from 3sHealth and community trust accounts.

Accumulated Surplus

The accumulated surplus includes the operating, capital and community trust funds. The accumulated surplus as at March 31, 2020 was \$1.32 billion, compared to \$1.26 billion as at March 31, 2019. This includes designated assets, which are assets that have been formally designated by the authority to indicate the authority's intention to use those assets for a specific purpose. The SHA Board of Directors continues to formally designate Ministry of Health (MoH) and Alberta Health Services (AHS) capital funding, unspent donations, and Saskatchewan Housing Corp. (SHC) reserves. Designated assets totalled \$79.48 million as at March 31, 2020, compared to \$106.32 million as at March 31, 2019.

Revenues

During the 2019-20 fiscal year, revenue totalling \$4.38 billion was recorded. This represents an increase of 5.9 per cent over 2018-19, and a favorable variance from budget of \$225.8 million. Ministry of Health revenue accounts for the majority of the additional revenue this fiscal year, and includes one-time grant funding of \$87.7 million (\$18.0 million in 2018-19) and funding for COVID-19, mental health and addictions and connected care and community care.

Government targeted funds received and recognized as revenue in 2019-20, but to be expensed in 2020-21, amount to \$15.39 million. There was also a favorable variance in recoveries of \$60 million due to unbudgeted recoveries from eHealth and other external organizations.

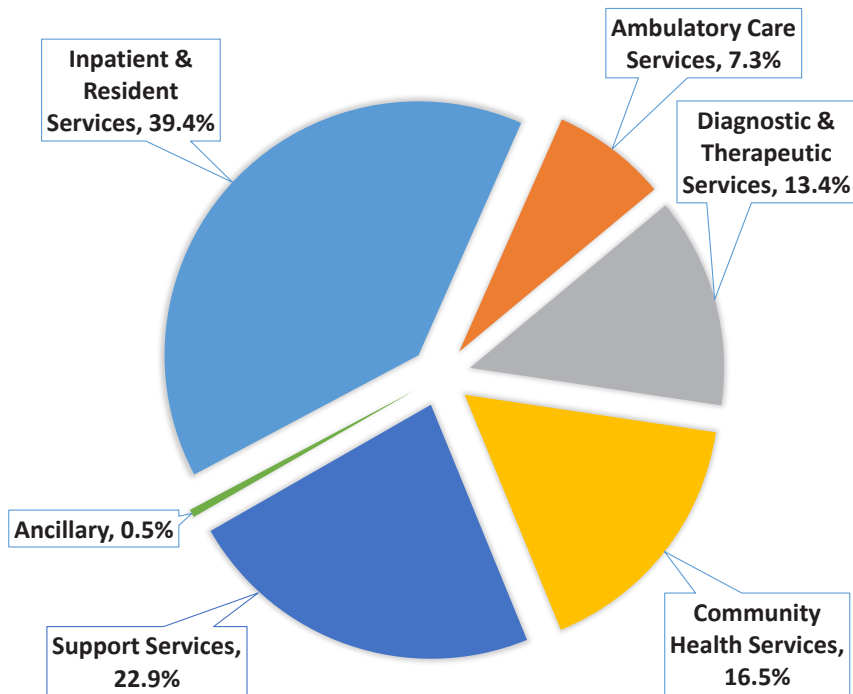

The overall distribution of revenues remained consistent with the prior year. The Ministry of Health transfers accounted for 88.7 per cent of SHA total revenues (2018-19 – 88.9 per cent).

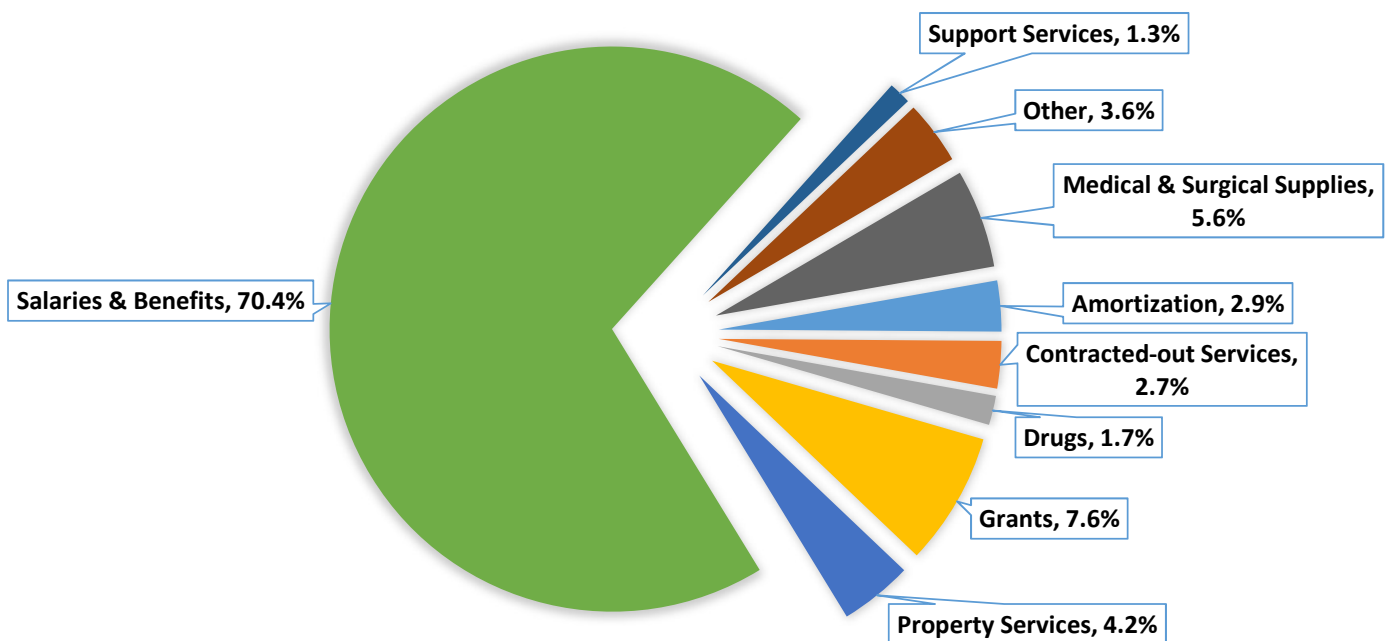

Expenses

Expenditures of \$4.32 billion were incurred by the SHA in 2019-20, compared to budgeted expenditures of \$4.10 billion, resulting in an unfavorable variance of \$214.21 million. This is an increase of \$148.93 million in expenses compared to 2018-19.

Expenditures by Function are highlighted in the following pie chart and the percentages by Function are consistent between 2019-20 and 2018-19.

The distribution of expenses by category (generally referred to as expenses by object) has also remained consistent with the prior year (see pie chart below), with salary and benefit costs, including medical remuneration, accounting for approximately 70.4 per cent of total expenditures (69.9 per cent in 2018-19).

During the year ended March 31, 2019, the SHA provided funding of \$98.64 million (\$98.49 million in 2018-19) to prescribed health-care organizations (HCOs) and \$215.60 million (\$214.58 million in 2018-19) to affiliates. Additional information can be found in Appendix D of the annual report on prescribed HCOs and affiliates.

In March 2020, the World Health Organization declared the outbreak of novel coronavirus (COVID-19) as a pandemic which continues to spread throughout Canada and the world. On March 18, 2020, the Government of Saskatchewan (SK) declared a provincial state of emergency due to the pandemic. The COVID-19 pandemic is complex and rapidly evolving and will have a major impact on the health sector and the SHA. The pandemic is expected to lead to an increase in demand for health services which could impact the SHA's financial position and operations but the full impact cannot be reasonably estimated at this time.

Capital

Capital investment for 2019-20 totalled \$217.12 million, compared to \$168.12 million in 2018-19. The majority of funding was provided by the Ministry of Health with the remainder of the SHA's funding provided by various sources, such as foundations and rural trust contributions. Major acquisitions include the progress in the Administrative Information Management System (AIMS), Jim Pattison Children's Hospital equipment and information technology infrastructure, electrical renewal projects, multiple renovations and generator, parking lot, and elevator projects. Amortization expense was \$124.74 million (\$134.10 million in 2018-19).

Debt

SHA's debt of \$106.51 million (2019 - \$106.27 million) is composed of banker's acceptances, mortgages, energy performance loans and debentures. Further information related to the SHA's debt is disclosed in Note 8 of the March 31, 2020 audited consolidated financial statements.

In addition, the SHA has approved operating lines of credit totalling \$58.2 million as at March 31, 2020 (\$57.2 million as at March 31, 2019).

Other

The SHA is responsible for managing various community trust funds. The community trust funds are restricted funds that reflect community generated assets transferred to the SHA in accordance with the pre-amalgamation agreements signed with the amalgamating health corporations in May 1993. Under the terms of the pre-amalgamation agreements, the assets are accounted for separately and use of the assets is subject to restrictions. Information regarding these funds can be found in Note 11 of the March 31, 2020 audited consolidated financial statements.

Consolidated Financial Statements of

SASKATCHEWAN HEALTH AUTHORITY

Year ended March 31, 2020

INDEPENDENT AUDITOR'S REPORT

To: The Members of the Legislative Assembly of Saskatchewan

Opinion

We have audited the consolidated financial statements of Saskatchewan Health Authority, which comprise the consolidated statement of financial position as at March 31, 2020, and the consolidated statement of operations, remeasurement gains and losses, change in net debt, and cash flow for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of Saskatchewan Health Authority as at March 31, 2020, and the consolidated results of its operations, remeasurement gains and losses, changes in net debt, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Saskatchewan Health Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards for Treasury Board's approval, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Saskatchewan Health Authority's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Saskatchewan Health Authority or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Saskatchewan Health Authority's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Saskatchewan Health Authority's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Saskatchewan Health Authority's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Saskatchewan Health Authority to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control identified during the audit.

Notes to the Consolidated Financial Statements

Year ended March 31, 2020
(in thousands of dollars)

1. Legislative Authority

During 2017-18, the Saskatchewan Health Authority (SHA) was established pursuant to *The Provincial Health Authority Act* (the Act). The SHA is a not-for-profit organization and is not subject to income taxes and property taxes on certain properties, from the federal, provincial and municipal levels of government. The SHA is a registered charity under *The Income Tax Act* (Canada).

2. Significant Accounting Policies

These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards, issued by the Public Sector Accounting Board and published by Chartered Professional Accountants of Canada.

a) SHA reporting entity

The SHA's reporting entity includes the following organizations that are controlled by the SHA. These entities are consolidated after necessary adjustments to a basis consistent with the accounting policies of the SHA. The transactions and inter-entity balances between SHA and the following entities have been eliminated on consolidation:

- i) Health Shared Services Saskatchewan (3sHealth)
- ii) St. Paul's (Grey Nuns) of Saskatoon (St. Paul's)

b) Revenue recognition

Revenue is recognized in the period in which the transaction or events that give rise to the revenue as described below occur. All revenue is recorded on an accrual basis, except when the accrual cannot be determined with a reasonable degree of certainty.

i) Government transfers

Transfers from Ministry of Health (MoH), other Government of Saskatchewan ministries and agencies and other government entities are referred to as government transfers.

Government transfers are recognized as revenue in the period during which the transfer is authorized and eligibility criteria are met, except when and to the extent that transfer stipulations give rise to an obligation which meets the definition of a liability. Transfers meeting the definition of a liability are recognized as revenue as the liability is settled.

ii) Fees and charges, ancillary operations and other income

Fees and charges, ancillary operations, and other income are recognized in the period that goods are delivered or services are provided. Amounts received for goods or services that have not been provided by year-end are recorded as deferred revenue.

SASKATCHEWAN HEALTH AUTHORITY

Notes to the Consolidated Financial Statements

Year ended March 31, 2020
(in thousands of dollars)

2. Significant Accounting Policies (continued)

b) Revenue recognition (continued)

iii) Donations, fundraising and non-government contributions

Donations, fundraising and non-government contributions are received from individuals, corporations, and other not-for-profit organizations. These contributions may be unrestricted or externally restricted.

Unrestricted contributions are recognized as revenue when received. Contributions with external restrictions are recorded as deferred revenue and are recognized as revenue when used for the specified purpose as outlined in Note 11.

In-kind donations of assets are recorded as revenue at fair value at the date of contribution if a reasonable estimate can be made.

iv) Investment income

Investment income includes dividend income, interest income and realized gains or losses on the sale of investments. Unrealized gains and losses are recognized in the consolidated statement of remeasurement gains and losses until the related investments are sold. Once realized, these gains or losses are recognized in the consolidated statement of operations.

c) Cash

Cash is comprised of cash on hand and balances with a financial institution.

d) Non-financial assets

Non-financial assets are assets held for consumption in the provision of services. These assets do not normally provide resources to discharge the liabilities of the SHA unless they are sold.

SASKATCHEWAN HEALTH AUTHORITY

Notes to the Consolidated Financial Statements

Year ended March 31, 2020
(in thousands of dollars)

2. Significant Accounting Policies (continued)

d) Non-financial assets (continued)

i) Tangible capital assets

Tangible capital assets are recorded at cost, while normal maintenance and repairs are expensed as incurred. Donated tangible capital assets are recorded at their fair value at the date of contribution (if fair value can be reasonably determined). During construction, these assets are recorded based on their percentage of completion and are disclosed as construction in progress. Amortization commences when the asset is put in service. Tangible capital assets procured through public private partnerships are valued at the total of the nominal value of progress payments made during or on completion of construction and the present value of the future capital payments, discounted to the date the asset is available for use, using the Government's borrowing rate for long-term debt at the time the agreement is signed.

Tangible capital assets, with a useful life exceeding one year, are amortized primarily on a straight-line basis over their estimated useful lives as follows:

Land improvements	2.5 to 33%
Leasehold improvements	3.0 to 80%
Building & improvements	2.0 to 20%
Equipment	2.5 to 50%

ii) Inventory held for consumption

Inventory consists of general stores, medical and surgical, pharmacy, and other inventory held for consumption. They are expensed as they are consumed. All inventories are held at the lower of net realizable value or cost as determined on a weighted average basis.

iii) Prepaid expenses

Prepaid expenses are prepaid amounts for goods or services that will provide economic benefits in one or more future periods.

SASKATCHEWAN HEALTH AUTHORITY

Notes to the Consolidated Financial Statements

Year ended March 31, 2020

2. Significant Accounting Policies (continued)

e) Employee future benefits

i) Pension plans

Pension liabilities are calculated using the values as provided by the pension plan in the plan's audited financial statements, and for multi-employer plans the percentage of the SHA employees who are active plan members, as outlined in Note 14. Changes in the pension liabilities that result from adjustments in estimated gains and losses and changes in actuarial assumptions are amortized on a straight-line basis over the expected average remaining service life of the related employee group. Amortization commences in the year following the determination of the adjustment. Losses resulting from plan amendments are recognized in the period of the plan amendment.

ii) Disability income plans

Employees of the SHA participate in several disability income plans to provide wage-loss insurance due to disability. The SHA follows post-employment benefits accounting for its participation in the plans. Accordingly, the SHA expenses all contributions it is required to make in the year.

iii) Accumulated sick leave benefit liability

The SHA provides sick leave benefits for employees that accumulate but do not vest. The SHA recognizes a liability and an expense for sick leave in the period in which employees render services in return for the benefits. The liability and expense is developed using an actuarial cost method. Actuarial gains and losses are amortized on a straight-line basis over the expected average remaining service life of the related employee groups.

f) Obligation under long-term financing arrangement

The Meadows in Swift Current opened in May of 2016 with a Public Private Partnership (P3) agreement that extends to April 2046. The SHA amortizes the cost of the completed project over its useful life, expenses the annual interest, and settles the long-term liability to the private sector partner over the term of the agreement. In addition, life cycle, operations, and maintenance obligations are expensed as paid. Obligations under long-term financing arrangement are disclosed in Note 10.

The long-term receivable from the MoH is collected over the term of the funding agreement.

2. Significant Accounting Policies (continued)

g) Measurement uncertainty

In the preparation of the consolidated financial statements, management makes various estimates and assumptions in determining the reported amounts of assets and liabilities, revenues and expenses and in the disclosure of contingencies and contractual rights and obligations. Changes in estimates and assumptions will occur based on the passage of time and the occurrence of certain future events. The changes will be reported in revenues or expenses in the period in which they become known. Significant items subject to such estimates and assumptions include the estimated accumulated sick leave liability, other employee future benefits, and estimates of the useful lives of tangible capital assets.

h) Financial instruments

The SHA has classified its financial instruments into one of the following categories: i) fair value or ii) cost or amortized cost.

All financial instruments are measured at fair value upon initial recognition. The fair value of a financial instrument is the amount at which the financial instrument could be exchanged in an arm's-length transaction between knowledgeable and willing parties under no compulsion to act.

Freestanding derivative instruments continue to be measured at fair value. Gains and losses are recognized in the consolidated statement of remeasurement gains and losses until the instruments are derecognized.

The following financial instruments are subsequently measured at cost or amortized cost:

- i) Accounts receivable
- ii) Investments
- iii) Accounts payable and accrued liabilities
- iv) Debt

All financial assets are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the consolidated statement of operations.

Related debt premium or discount and transaction costs are included in the carrying value of financial instruments recorded at cost or amortized cost and are amortized into interest expense using the effective interest rate method.

2. Significant Accounting Policies (continued)

i) Leases

Leases that transfer substantially all of the benefits and risks of ownership related to the leased property from the lessor to the SHA are accounted for as a capital lease. Other leases are accounted for as operating leases with contractual obligations disclosed in Note 6b).

j) New accounting standards in effect

A number of new Canadian public sector accounting standards and amendments to standards are not yet effective for governments and have not been applied in preparing these consolidated financial statements. The following standards will come into effect as follows:

- i) PS 3280 Asset Retirement Obligations (effective April 1, 2021), a new standard establishing guidance on the recognition, measurement, presentation and disclosure of a liability for retirement of a tangible capital asset.
- ii) PS 3400 Revenue (effective April 1, 2022) a new standard establishing guidance on the recognition, measurement, presentation and disclosure of revenue.

4. Accumulated Surplus

Accumulated surplus is comprised of the following:

	March 31, 2019	Additions during the year	Reductions during the year	March 31, 2020
Invested in Tangible Capital Assets:				
Net book value of tangible capital assets	\$ 1,667,680	\$ 217,118	\$ 126,442	\$ 1,758,356
Less: Debt owing on tangible capital assets	(113,000)	(15,346)	(11,942)	(116,404)

Total Accumulated Surplus	\$ 1,254,487	\$ 395,328	\$ 332,333	\$ 1,317,482

The purpose and nature of each category above is as follows:

- Government transfers for tangible capital asset expenditures represents the amount restricted by the board to allow for the renewal and replacement of equipment, buildings, and building service equipment.
- Donations represents the portion of accumulated surplus in relation to funds received as donations in the name of specific facilities or programs, however not with external restrictions attached.
- Canadian Mortgage and Housing Corporation (CMHC) Reserves represents the portion of accumulated surplus the SHA is required to maintain for certain replacement reserves as a condition of receiving subsidy assistance from CMHC.

5. Contractual Rights

SHA has the following contractual rights:

a) Rental Revenue

Rental revenue of \$3.2 million (2019 - \$3.4 million) from contracts for retail space, non-profit activity or office space. Contract expiry terms range from June 30, 2020 to November 7, 2027.

b) Saskatchewan Housing Corporation (SHC) mortgage subsidy

SHC mortgage subsidy of \$4.3 million (2019 - \$5.8 million) for supportive care homes financed by CMHC. Contract expiry terms range from September 30, 2020 to February 1, 2030.

c) Ministry of Health Grant

The SHA has a \$14.1 million (2019 – \$61.4 million) capital and operating project agreement with the Ministry of Health expiring March 31, 2021. This agreement outlines the SHA's requirement to undertake the implementation of the provincial health system's administrative information management system (AIMS) on behalf of the health system as a whole, and the Ministry's provincial assistance to assist the SHA in financing the cost of the project.

The SHA has contractual rights for the next five years as outlined in the table below:

	Rental Revenue	SHC Subsidy	Ministry of Health Grant	Total 2020	Total 2019
2020	\$ -	\$ -	\$ -	\$ -	\$ 49,107

6. Contractual Obligations

a) Capital assets acquisitions

At March 31, 2020, contractual obligations for the acquisition and construction of tangible capital assets over the next five years are as follows:

	Total 2020	Total 2019
2020	\$ -	\$ 154,895
2021	100,505	8,677

6. Contractual Obligations (continued)

c) Contracted Health Care Organizations (HCOs)

The SHA has agreements with and provides annual grant funding to HCOs for the delivery of health care services. Certain of these contracts have provisions for continuation of services and/or purchase of facilities in the event of termination. Services provided in the year ended March 31, 2020 will continue to be contracted for the following fiscal year. Minimum annual payments to HCOs over the next five years are as follows:

	Total 2020	Total 2019
2020	\$ -	\$ 47,944
2021	48,167	47,944
2022	46,075	46,071
2023	46,075	46,071
2024	44,551	44,546
2025 and subsequent	44,551	-

d) Obligations under long-term financing arrangement

The SHA has contractual obligations in the form of a P3 agreement. Refer to Note 10 for this information.

7. Contingencies

The SHA, along with others, is a defendant to several claims, which have been brought against it over the years because of its medical operations. The SHA believes these claims are without merit or are covered by insurance. Settlements, if any, in excess of insurance coverage, would be accounted for as a charge against operations in the period in which settlements arise.

8. Debt

Title of Issue	Interest Rate	Annual Repayment Terms	Balance Outstanding	
			2020	2019
Banker's acceptances	1.64% to 5.03%	\$4.3 million principal & interest. Maturing April 3, 2020 to July 10, 2035.	\$ 83,012	\$ 75,348
CMHC mortgages	0.98% to 10.00%	\$3.7 million principal & interest. Renewal dates June 1, 2020 to February 1, 2030.	10,430	14,014
Energy performance contract loans	3.02% to 5.33%	\$1.4 million principal & interest. Mortgage renewal dates October 31, 2023 to January 1, 2028.	7,263	12,184
Other mortgages	3.13% to 5.79%	\$1.1 million principal & interest. Renewal dates August 1, 2020 to June 1, 2025.	4,302	2,911
Other Debt:				
Debentures payable			1,506	1,817
			\$ 106,513	\$ 106,274

Principal repayments required in each of the next five years and thereafter are estimated as follows:

2022	6,670
2023	6,384
2024	9,855
2025 and subsequent	34,147

As at March 31, 2020, the SHA had revolving credit facilities available to a maximum of \$99.5 million (2019 - \$88.1 million). The facilities may be drawn by way of banker's acceptances of \$79.5 million (2019 - \$78.1 million) and leases of \$20.0 million (2019 - \$10.0 million).

SASKATCHEWAN HEALTH AUTHORITY

Notes to the Consolidated Financial Statements

Year ended March 31, 2020
(in thousands of dollars)

8. Debt (continued)

a) Banker's acceptances

The SHA has reduced its exposure to interest rate fluctuations by entering into an interest rate swap on the full amount of its revolving credit facility for the Jim Pattison Children's Hospital (JPCH) Early Works Project (\$22.6 million) and the Energy Performance Contract (\$16.5 million). The interest rate swap effectively fixes the interest rate on the JPCH Early Works Project debt at 2.96% until July 10, 2035; the Energy Performance Contract debt at 2.17% until May 23, 2031 (\$10.4 million), and 1.97% until September 30, 2029 (\$3.6 million), and 5.03% until September 4, 2024 (\$2.5 million). The table includes these amounts in banker's acceptances.

The fair value of the interest rate swaps are recorded on the consolidated statement of financial position with changes in the fair value reflected in the consolidated statement of remeasurement gains and losses. For the year ended March 31, 2020 the market value loss on the interest rate swap was \$2.5 million (2019 - loss of \$1.0 million).

The banker's acceptances are not secured. Interest paid on the banker's acceptances during the year was \$2.0 million (2019 - \$1.6 million).

b) CMHC mortgages

SHC may provide a mortgage subsidy for supportive care homes financed by CMHC. The subsidy may change when the mortgage renewal occurs. For each of the mortgages, the SHA has pledged the related buildings of the special care homes as security, which have a net book value of \$65.8 million (2019 - \$79.5 million). Interest paid on mortgages during the year was \$266 (2019 - \$398). The average term to maturity is 4.4 years (2019 - 4.9 years).

c) Energy performance contract loans

Energy performance contracting is a unique program that allows the SHA to implement facility improvements, reduce energy costs, and improve health and comfort conditions. The projects are expected to provide utility cost savings that will pay for the cost and financing of the projects within an established period. Interest paid on the energy performance contract loans during the year was \$413 (2019 - \$520), and they are not secured. The average term to maturity is 6.1 years (2019 - 8.0 years).

d) Other mortgages

Other mortgages include all non-CMHC mortgages, for which the SHA has pledged the related buildings as security, which have a net book value of \$9.2 million (2019 - \$7.8 million). Interest paid on other mortgages during the year was \$185 (2019 - \$111). The average term to maturity is 5.7 years (2019 – 7.8 years).

e) Debentures payable

The SHA owns and operates several accommodation units occupied by “unit holders.” In consideration for a life interest in a “right of use” of the accommodation unit, the unit holder contributes a lump sum deposit. In accordance with the debenture agreement, in the event of the death of the unit holder or termination of the occupant agreement by either party, the SHA is obligated to repay the unit holder or their representative the lesser of:

- i) The original sum; or
- ii) The fair market value of the holders’ right of use.

The debenture payable represents the accumulated amount of deposits received from the market unit holders. These debentures are non-interest bearing with no fixed terms of repayment. The specific land and buildings to which the debentures relate have been pledged as collateral.

9. Capital Lease Payable

Title of Issue	Interest Rate	2020	2019
Capital leases for equipment	0.00% to 13.93%	\$ 9,891	\$ 6,726

Interest paid on the above capital leases during the year was \$181 (2019 - \$139). The average term to maturity for the above leases is 3.8 years (2019 - 3.5 years). Principal repayments required in each of the next five years and thereafter are estimated as follows:

2021	\$ 2,842
2022	2,554
2023	2,124
2024	1,827
2025 and subsequent	544

10. Obligations Under Long-term Financing Arrangement

In September 2014, the SHA entered into a P3 arrangement with Plenary Health Swift Current Limited Partnership for the design, build, finance, and maintenance of The Meadows in Swift Current (a long-term care facility). This P3 obligation is calculated using a discount rate of 3.50% that extends to April 2046.

The change in the obligation was as follows:

	Total 2020	Total 2019
Obligation, beginning of year	\$ 116,685	\$ 119,257
Payments	(2,662)	(2,572)
Obligation, End of Year	\$ 114,023	\$ 116,685

The SHA has the following payment schedule related to its P3 arrangement:

	Contractual Obligation			Total 2020	Total 2019
	Obligation	Life Cycle Payment	Operation & Maintenance Payments		
2020	\$ -	\$ -	\$ -	\$ -	8,244

Total Deferred Revenue	\$ 12,855	\$ 53,507	\$ 57,747	\$ 17,095

The purpose and nature of each deferred category is as follows:

- a) **Community trusts** – The community trust fund is a restricted fund that reflects community generated assets transferred to the SHA in accordance with the pre-amalgamation agreements signed with the amalgamating health corporations in May 1993. Under the terms of the pre-amalgamation agreements, the assets are accounted for separately and use of the assets is subject to restrictions.
- b) **Donations** – Funds received from individuals, corporations and other not-for-profit organizations that are in the name of specific facilities or programs, with external restrictions as to how they are spent.
- c) **Endowments** - Grants that must be maintained in perpetuity. Funds are recognized only when used for the purpose or purposes specified.
- d) **Government of Saskatchewan** – Government transfers from the MoH with stipulations that give rise to an obligation which meets the definition of a liability.
- e) **Other** – Unexpended non-government of Saskatchewan revenue with stipulations or external restrictions for the use of funds.
- f) **Research** - Funds received for which the contributor has placed restrictions on the use of the resources, for the purpose of research. Revenue for research is recognized as expenses are incurred as the research project progresses.

13. Trusts Under Administration

a) Patient and resident trust accounts

The SHA administers funds held in trust for patients and residents using the SHA's facilities. The funds are held in separate accounts for the patients or residents at each facility. The total cash held in trust as at March 31, 2020 was \$3.2 million (2019 - \$3.1 million). These amounts are not reflected in the consolidated financial statements.

b) Employee benefit plans transactions and assets

Included in these consolidated financial statements are expenses of \$11.8 million (2018 – \$9.8 million) relating to the operation of the employee benefit plans (EBP's). Accounts receivable includes \$1.2 million (2018 – \$3.8 million) due from EBP's while accounts payable includes \$245 (2018 – \$Nil) related to expenses for the EBP's. The fair value of total assets and surplus net assets of the EBP's under 3sHealth's administration at December 31 are:

	2019		2018

b) Employee benefit plans transactions and assets (continued)

Subsequent to December 31, 2019, financial markets were negatively impacted by the outbreak of a strain of the novel coronavirus (COVID-19), which was declared a pandemic by the World Health Organization on March 12, 2020. This has resulted in significant economic uncertainty as the EBP's have been subject to market fluctuations and may continue to experience significant volatility as the situation evolves. The duration and impact of this pandemic is unknown at this time and as such, an estimate of the potential impact on the EBP's future operating results has not been made.

14. Employee Future Benefits

a) Pension plans

Employees of the SHA participate in one of the following pension plans:

i) Multi employer joint defined benefit plan

Joint defined benefit plans are governed by a formal agreement between the joint sponsors, which establishes that the joint sponsors have shared control over the plan. Funding contributions are shared mutually between the employer and plan members. The sponsors share, on an equitable basis, the significant risks of the plan. Accordingly, the SHA accounts for only its portion of the plan. Plan assets and surpluses are restricted for member benefits or certain other purposes as set out in the agreement. Plan benefits are determined on the same basis as defined benefit plans.

The accrued benefit obligation is determined using the projected accrued benefit actuarial cost method. Pension fund assets are valued at market-related values by averaging the difference between the net investment income on a market-value basis and the expected investment income, based on expected rate of return on plan assets, over a five year period.

The SHA sponsors one joint defined benefit pension plan, Saskatchewan Healthcare Employees' Pension Plan (SHEPP). The SHA contributes to the plan at a ratio of 1.12 to 1 of employee contributions. Any actuarially determined deficiency is the responsibility of participating employers and employees in the ratio of 1.12 to 1. SHEPP and their governing body determine contribution rates. The SHA participating employer contributions for SHEPP represents approximately 89.63% of the total employer contributions to the plan.

¹ The plan assets had an actual rate of return of 11.5% (2019 - (-0.10%)).

² The market value of Plan investments at December 31, 2019 (the basis for our 2020 disclosure) is \$8.04 billion (2018 - \$7.22 billion); as at March 31, 2020 market value is \$7.41 billion for plan assets of \$7.91 billion.

³ Unamortized estimation adjustments are amortized to pension expense commencing in the year following the adjustment up to 12.8 years.

⁴ The total pension liabilities (asset) is based on the latest actuarial valuation extrapolated to December 31, 2019. Changes in assumptions can result in significantly higher or lower estimates of pension liability. The pension liability would increase by \$1.01 billion or would decrease by \$817 million if the discount rate was decreased or increased by one percentage point respectively.

⁵ The SHA has not recorded any portion of the SHEPP pension asset as plan assets and surpluses are restricted for future member benefits.

ii) Defined contribution plan and other plans

SHA participates in several multi employer defined benefit pension plans including Regina Civic Employees' Superannuation and Benefit Plan (RCESP), Local Authorities Pension Plan (LAPP), and one defined contribution plan, Public Employees' Pension Plan (PEPP). The SHA follows defined contribution plan accounting for its participation in the plans. The SHA's financial obligation to these plans is limited to making the required payments to these plans according to their applicable agreements. Accordingly, the SHA expenses all contributions it is required to make in the year. Defined contribution plans provide pensions based on accumulated contributions and investment earnings. Employees contribute a percentage of salary.

Pension expense is included in Compensation – benefits in Schedule 1 and is equal to the SHA contributions amount below.

Below is a summary of the SHA defined contribution plans:

	LAPP ¹	RCESP ²	PEPP	Total 2020	Total 2019
Plan status	open	open	open		
Member contribution rate (% of salary) ³	8.39-12.84	7.80-13.10	5.00-7.60		
SHA contribution rate (% of salary) ³	9.39-13.85	8.80-14.60	5.00-6.60

Member contributions	\$ 820	\$ 7,350	\$ 1,767	\$ 9,937	\$ 9,515
SHA contributions	\$ 905	\$ 8,185	\$ 1,787	\$ 10,877	\$ 10,487

¹ Certain employees of the SHA participate in LAPP, a multi employer defined benefit plan. The plan decided to reduce the unfunded obligation through increased contribution rates to provide benefit security as at January 1, 2018 the plan was able to reduce contribution rates. At December 31, 2018 audited financial statements for LAPP reported an accrued benefit obligation of \$41.0 billion (2017 - \$37.9 billion) and pension fund assets at market value of \$44.5 billion (2017 - \$42.7 billion).

² Certain employees of the SHA participate in RCESP a multi employer defined benefit plan. The plan was amended effective January 1, 2016. Employers agreed to amortize the unfunded liability over a twenty year period. In respect to the pre-amended deficit, the employer/employee contribution rates changed from an equal cost sharing to 60:40 contribution ratio. The sharing of future deficits shall be in accordance with the new funding policy. At December 31, 2018 audited financial statements for RCESP reported an accrued benefit obligation of \$1.5 billion (2017 - \$1.4 billion) and pension fund assets at market value of \$1.5 billion (2017 - \$1.5 billion).

³ Contribution rate varies based on employee group for PEPP.

15. Budget

The SHA board approved their 2019-2020 budget plan on May 29, 2019, while the 3sHealth board approved their budget plan on March 27, 2019.

16. Financial Risk Management

The SHA has exposure to the following risks from its use of financial instruments: credit risk, market risk and liquidity risk.

The Board ensures that the SHA has identified its major risks and ensures that management monitors and controls them. The Board oversees the SHA's systems and practices of internal control, and ensures that these controls contribute to the assessment and mitigation of risk.

a) Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The SHA is exposed to credit risk from the potential non-payment of accounts receivable. The majority of the SHA's receivables are from MoH – General Revenue Fund, Saskatchewan Workers' Compensation Board, health insurance companies or other provinces. Therefore, the credit risk on accounts receivable is minimal. The SHA is also exposed to credit risk from cash and investments.

The SHA manages its credit risk surrounding cash and investments by dealing solely with reputable banks and financial institutions, and utilizing an investment policy to guide their investment decisions. The SHA invests surplus funds to earn investment income with the objective of maintaining safety of principal and providing adequate liquidity to meet cash flow requirements.

Management reviews accounts receivable to determine if a valuation allowance is necessary to reflect impairment in collectability.

The aging of Ministry of Health and other accounts receivable as at March 31, 2020 was:

	Total	0-30 Days	30-60 Days	60-90 Days	Over 90 Days
Accounts receivable

16. Financial Risk Management (continued)

b) Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates or interest rates, will affect SHA's income or the value of its holdings of financial instruments. The objective of market risk management is to control market risk exposures within acceptable parameters while optimizing return on investment.

i) Foreign exchange risk

Foreign exchange risk is the risk the fair value of financial instruments denominated in a foreign currency will fluctuate because of changes in the foreign exchange rates. The SHA operates within Canada, but in the normal course of operations is party to transactions denominated in foreign currencies. The SHA believes that it is not subject to significant foreign exchange risk from its financial instruments.

ii) Interest rate risk

Interest rate risk is the risk the fair value of future cash flows or a financial instrument will fluctuate because of changes in the market interest rates. Financial assets and financial liabilities with variable interest rates expose the SHA to cash flow interest rate risk.

The SHA's investments include guaranteed investment certificates and term deposits bearing interest at coupon rates. As at March 31, 2020, the interest rates on the investments held by the SHA bear minimal risk and therefore the overall risk to the SHA due to fluctuating interest rates is minimal. Although management monitors exposure to interest rate fluctuations, it does not employ any interest rate management policies to counteract interest rate fluctuations.

The majority of the SHA's long-term debt outstanding as at March 31, 2020 and 2019 has fixed interest rates. The SHA has entered into interest rate swaps to effectively fix the interest rates, and further reduce the interest rate risk, on certain debt. Refer to Note 8 for this information.

16. Financial Risk Management (continued)

c) Liquidity risk

Liquidity risk is the risk that an organization is not able to fulfill its financial obligations as they become due.

The SHA manages liquidity risk by continually monitoring actual and forecasted cash flows from operations and anticipated investing and financing activities. The SHA relies on grants from the MoH through the General Revenue Fund. To obtain sufficient funds, the SHA provides the Ministry with capital and operating budgets and quarterly forecasts.

As at March 31, 2020, the SHA is committed to the following liabilities, including principal and interest, based on the expected undiscounted cash flows from the reporting date to the contractual maturity date:

	Carrying amount	Due in less than 1 year	Due in 1-3 years	Due in 3-5 years	Due after 5 years
Accounts payable and accrued liabilities	\$ 508,546	\$ 508,546	\$ -	\$ -	\$ -

Fair value of interest rate swaps

The fair value of the interest rate swaps are recorded in the consolidated statement of financial position with changes in fair value reflected in the consolidated statement of re-measurement gains and losses. Accordingly, the determination of fair value requires judgment and is based on market information where available and appropriate. Fair value measurements are categorized into levels within a fair value hierarchy based on the nature of the inputs used in the valuation. The interest rate swap is determined to be Level 1, where by quoted prices are readily available from an active market, and no items have transferred between hierarchy levels 1 to 3.

At March 31, 2020 the market value loss on the interest rate swap was \$2.5 million (2019 – loss of \$1.0 million).

c) Liquidity risk (continued)

Lines of credit

The SHA has several approved operating lines of credit totaling \$58.2 million (2019 - \$57.2 million). Interest rates vary from prime minus 1.00% to prime plus 1.00%. Total interest paid on the lines of credit in 2020 was \$634 (2019 - \$528).

17. Related Parties

These consolidated financial statements include transactions with related parties. The SHA is related to all Saskatchewan Crown Agencies such as ministries, corporations, boards, and commissions under the common control of the Government of Saskatchewan, as well as its key management personnel and their close family members. Additionally, the SHA is related to organizations where they have key management personnel and/or their close family members in common. Transactions with these related parties are in the normal course of operations and are settled on normal trade terms.

18. Restructuring

The SHA is under the control of the Government of Saskatchewan and is related to all Saskatchewan Crown Agencies such as ministries, corporations, boards, and commissions. The Physician Recruitment Agency of Saskatchewan (PRAS), a Treasury Board Crown Corporation and the Roy Romanow Provincial Lab (RRPL), a MoH laboratory, are also under the control of the Saskatchewan government.

In January 2017, the Government of Saskatchewan's Advisory Panel on Health System Structure recommended that the assets, liabilities and related responsibilities for the operation of PRAS and RRPL transfer to the SHA.

a) Physician Recruitment Agency of Saskatchewan

On July 23, 2018, the SHA assumed the responsibility of the ongoing operation of PRAS. The SHA is responsible for coordinating the recruitment of health professionals to Saskatchewan and actively working to optimize the health sector workforce for the province.

18. Restructuring (continued)

a) Physician Recruitment Agency of Saskatchewan (continued)

No compensation was paid or received for the transfer and there were no restructuring costs related to the transfer.

From the date of transfer to March 31, 2019, revenue related to the operation of PRAS includes MoH funding of \$1.2 million. Expenses related to the operation of PRAS include program support of \$1.4 million, and amortization of \$105.

b) Roy Romanow Provincial Laboratory

The transfer from the MoH of the assets, liabilities and the responsibility for the ongoing operation of RRPL occurred April 1, 2018. The SHA is responsible for public health services in water testing, bacteriology, virology, immunoserology and molecular diagnosis.

No compensation was paid to or received from MoH for the transfer and there were no restructuring costs related to the transfer.

From the date of transfer to March 31, 2019, revenue related to the operation of RRPL includes MoH funding of \$30.1 million and other revenue of \$1.4 million. Expenses related to the operation of RRPL include diagnostic and therapeutic services of \$31.4 million, and amortization of \$455.

The net carrying amount of the assets and liabilities is detailed below:

19. Comparative Information

Certain of the comparative figures have been reclassified to conform to the financial statement presentation adopted in the current year.

20. Subsequent Events

In March 2020, the World Health Organization declared the outbreak of novel coronavirus (COVID-19) as a pandemic which continues to spread throughout Canada and the world. On March 18, 2020, the Government of Saskatchewan (SK) declared a provincial state of emergency due to the pandemic. The COVID-19 pandemic is complex and rapidly evolving and will have a major impact on the health sector and the Saskatchewan Health Authority. The pandemic is expected to lead to an increase in demand for health services which could impact the Saskatchewan Health Authority's financial position and operations but the full impact cannot be reasonably estimated at this time.

21. Collective Bargaining Agreements

The Saskatchewan Union of Nurses (SUN) and the Health Services Association of Saskatchewan (HSAS) contracts expired on March 31, 2018. Negotiations are under way for SUN and HSAS and the impact on these consolidated financial statements is not determinable and no accrual has been made. The provider union contracts made up of the Canadian Union of Public Employees (CUPE), and Saskatchewan Government and General Employee's Union (SGEU) is in effect until March 31, 2022. The provider union contract for Service Employees International Union (SEIU-West) expired March 31, 2017 and estimates of the retroactive settlement of \$5.0 million have been accrued in these consolidated financial statements, which includes \$4.3 million for the SHA and \$712 for payment to the affiliates.

Appendix C : Unions

The majority of SHA's employees belong to one of five unions. Unions provide their members with advice and support and bargain with the Saskatchewan Association of Health Care Organizations to establish terms and conditions of employment, including wages and benefits. The SHA works with unions to ensure high quality, timely care for patients and to provide a safe environment free of physical, emotional or psychological harm for patients and health care providers. Union members provide services in long-term care, home care, acute care, health care centers, public health, mental health and community health.

SHA's union partners are:

- The Saskatchewan Union of Nurses (SUN): SUN represents more than 9,400 SHA registered nurses, registered nurse practitioners, registered psychiatric nurses and graduates.
- The Health Sciences Association of Saskatchewan (HSAS): HSAS represents approximately 3,700 SHA employees. Roles include pharmacists, addictions counsellors, dietitians, audiologists, emergency medical services staff, epidemiologists, infection control practitioners, occupational and physical therapists, health inspectors and psychologists.
- The Canadian Union of Public Employees (CUPE), the Service Employees International Union-West (SEIU-West) and the Saskatchewan Government and General Employees' Union (SGEU): CUPE, SEIU-West and SGEU represent SHA's health care providers. They work in a variety of medical and non-medical positions. Included are housekeeping, dietary and continuing care aides, licensed practical nurses, cooks, medical, lab and diagnostic technologists, maintenance staff, cleaners, clerical workers, porters, and purchasing, health records and registration clerks.
 - o CUPE represents approximately 12,700 SHA employees in the former Prairie North, Prince Albert Parkland, Regina Qu'Appelle, Sun Country and Sunrise health regions.
 - o SEIU-West represents more than 8,800 SHA employees in the former Cypress, Five Hills, Heartland and Saskatoon health regions as well as 19 staff at Meadow Lake Clinic in the former Prairie North Health Region.
 - o SGEU represents approximately 1,600 SHA employees in the former Kelsey Trail, Keewatin Yatthé and Mamawetan Churchill River health regions as well as about 160 Roy Romanow Provincial Laboratory staff.
