Name	Amount	Timeline / deadline	Link/application
<p>school representatives across the local food system come together, create a common vision and identify short-term goals unique to the community's needs. As a community of practice, they address systemic barriers to get fresh, local, and sustainable food on the minds and plates of students. The term "Learning Circle" reflects the open, collaborative and community-led nature of this work and how it is grounded in local knowledge, traditions, and culture. A coordinator supports the work of the group.</p>			<p>Contact <a href="mailto:info@farmtocafeteriacanada.ca">info@farmtocafeteriacanada.ca</a> if interested in learning more</p>
